- Use left over scrap craft material abandoned in dusty boxes and create a fun piece/pieces of jewellery

Calling all tweens (9-13yr olds), bring your Mums and/or Grannies and come and learn how to make cute hair clips and funky brooches using scrap materials, left over bits of yarn, a dose of imagination, some glitter and sparkles. This easy workshop will inspire you to create fun jewellery with leftover special stuff you have been hoarding.

Please Bring:

- Any old small scraps of material and leftover beads. All additional items will be provided.

About the Tutor:

Hiromi Kuroe

Hiromi's skills and hobbies reflect her no.8 wire attitude. Wholesome, practical, healthy and creatively enriched by her Japanese heritage. She is keen for her one year old son to learn and grow up in a world where homemade takes precedence over shop bought, and also use the planets' resources thoughtfully and carefully.

Hiromi also creates fun and fancy accessories out of the kind of stuff we keep in our drawers waiting for a craft project to come along, waiting for the time to do it, but never quite get round to it.
